

JCNS Workshop

Off-Spec 2009

Modelling and Data Analysis for Grazing Incidence and Off-Specular Scattering

27 - 29 Sept. 2009, München-Feldafing

Topics :

- Novel Trends in Off-specular Scattering
- Grazing Incidence X-ray and Neutron Scattering
- Off-specular Polarised Neutron Scattering
- Instrument Developments
- Data Evaluation and Treatment
- Software and Algorithms

Organizers:

Th. Brückel, L. Bottyan, Th. Gutberlet,
A. Ioffe, S. Mattauch

www.jcns.info/WorkshopOffspec/

Deadlines:

Submission of abstracts:	10 July 2009
Notification of acceptance:	30 July 2009
Final registration:	10 Aug. 2009

Workshop Fee:

normal participants:	280 EUR
students:	170 EUR

Includes full lodging and board at InWent
Bildungszentrum Feldafing, workshop diner
and abstract booklet
